

# 2015 Arlington Rose Foundation 4th Annual Cash Awards Photography Contest Results

In this year's Arlington Rose Foundation Cash Awards photography contest, 17 participants submitted 116 digital photos, each vying for \$75 first place award in four classes: Class 1- Exhibition Blooms; Class 2 -Rose Sprays; Class 3- Open Blooms, stamens showing; and Class 4- Rose Gardens. We are honored that certified American Rose Society judges who are also nationally recognized rose photographers, Bill Komcheck, Tom Mayhew and Sally Long, led by National Photography Chairperson Curtis Aumiller, volunteered their time and expertise to judge our rose photos. They were critiqued by the best.

Knowing it takes both nerve and knowledge to compete, we are proud of three new contest participants who placed this year. Congratulations for all who submitted and our placement winners featured below!
